

REMARKS

In the Office communication mailed April 17, 2008, the Examiner requests that Applicant clarify whether the new claims are readable on the elected species. In response to this request, Applicant submits that new claims 38-41 read on the elected species of FIGS. 58(a)-60(c). Applicant also submits that support for new claims 38-41 can be found in at least FIGS. 58(a)-60(c) of Applicant's drawings, and in page 24, lines 13-26 of Applicant's specification.

Applicant submits that the foregoing remarks, together with the Reply to Office Action filed January 7, 2008, are fully responsive to the Office Action mailed October 5, 2007, and remedy the deficiencies alleged in the Office communication mailed April 17, 2008.

Please grant any extensions of time required to enter this response and charge any additional required fees to our Deposit Account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
